10:00am & 2:30pm

A complete guided tour of the machinery and horse-drawn farming area. Everything from road making, saw milling, rock crushing, threshing, hay baling, chaff cutting, house moving to weird ways of starting old tractors and a demo of the unique Aust. Stump Jump Plough (Takes approx 1hr) **GO TO AREA 22**

THIS IS A TOUR DESIGNED FOR EVERYBODY YOU DON'T HAVE TO BE A MACHINERY BUFF TO LOVE THIS!!

10:30am* & 1:30pm

The reason we are all here! Shearing in our beautiful heritage listed Woolshed. Not just shearing though, but a demo of everything to do with wool and shearing. Everything from shearing to wool classing to wool pressing, meet the people who make it all happen, listen to a few good yarns & have a look at all the things we do with wool! (Takes approx 1hr) **GO TO AREA 2**

11:00am & 1:00pm

Wagon wheel tiring at the Station Smithy. Come and see how they fitted the iron tyres to the wooden wagon wheels. Watch 'em make horse shoes and other iron ware in the forge (Takes approx. 30mins). **GO TO AREA 11**

LUNCH (see map)

There are food outlets all over the grounds, BUT the best place to be is at the food and entertainment court! Sit and enjoy lunch while watching rope making or sheep dogs working and listening to some great music. (Dinner and a show!)

12:30pm

THE GRAND PARADE

The biggest and best in the land! Sit anywhere on the side of the track, get your camera out and limber up your waving arm. This is the best Grand Parade you will see anywhere in Australia! The voice behind this year's Grand Parade is Barry Geitz.
